PRIME METTLE

VANDAL RESISTANT FULL METAL BUTTON CAP

ELEVATOR PRODUCTS CORPORATION

THE NEXT GENERATION STUDLESS BUTTON

The PRIME METTLE, our next generation model in studless button designs, features a full metal cap constructed from stainless steel. Included in this assembly are stainless steel mounting tabs that attach to our shallow LED bases. The PRIME METTLE button by EPCO provides a high quality assembly featuring durability in design with focus on serviceability and extended use.

- Multi-Voltage - 24-120V AC/DC
- Low Voltage - 6-12V DC
